

biotrinsic[™]
by indigo[®]

WATER USE EFFICIENCY + HEAT + NUTRIENT USE EFFICIENCY

BENEFICIAL MICROBES

PROMOTES A HEALTHIER ROOT SYSTEM • HELPS PLANTS TOLERATE ABIOTIC STRESSES

LOT #:
PACKAGED ON DATE:
EXPIRATION DATE:

NET CONTENTS: 0.33 LBS

PURPOSE: biottrinsic™ M36 WP is a beneficial microbial inoculant proven to promote canopy development and increase plant biomass

CONTAINS NON-PLANT FOOD INGREDIENTS

Soil Amending Ingredients (active ingredients)

Guaranteed Analysis

Kosakonia cowanii..... 1.0 × 10⁷ CFU/g

Density: (68° F) 5.59 lbs./gallon

Application Rate for Seed Treatment

Note: Shake well before use. Remove desiccant pouch before use. Use within 8 hours after mixing with water.

Crop	Dilute Product Before Seed Treatment biottrinsic M36 WP	Liquid	Use Rate After Dilution in Liquid (fl oz. / CWT)
Wheat and Other Cereals	1 Package (0.33 lbs)	3 quarts biottrinsic™ E15 WD	1.0
Cover Crops	1 Package (0.33 lbs)	3 quarts water or biottrinsic™ E15 WD	2.0
Sunflower	1 Package (0.33 lbs)	3 quarts water	3.0

biottrinsic™ microbial inoculant is a mixture of live microbes and an inert powder. To maintain performance of live microbes, the product must be applied and stored as recommended.

Application Instructions

- Powder may agglomerate. SHAKE WELL BEFORE USE. REMOVE DESICCANT POUCH BEFORE USE.
- biottrinsic™ microbial inoculant is intended to be diluted in water or biottrinsic™ E15 WD Extender depending on the crop and then applied as a liquid seed treatment.
- Clean the seed treating equipment and mix tank thoroughly before use. Ensure there is no residual water in the mix tank. Calibrate the seed treater per standard procedures.
- DO NOT COMBINE fungicides, insecticides, pesticides, polymers, or other seed treatments in the same mix tank as the biottrinsic™ microbial inoculant. It is preferred that other seed treatments be applied as a pre-treatment and the biottrinsic™ microbial inoculant is applied as an over-treatment. If a two-pass treatment is not possible, the fungicide, insecticide, pesticide, polymer, or other seed treatments must be applied from a second mix tank.
- biottrinsic™ microbial inoculant can be diluted at the ratio below:
 - When treating Wheat and Other Cereals or Cover Crops add 0.33 pounds of the product to 3 quarts of biottrinsic™ E15 WD Extender
 - When treating Sunflowers or Cover Crops add 0.33 pounds of the product to 3 quarts of water
 - Note that Cover Crops can be diluted with biottrinsic™ E15 WD Extender or water
- Allow for five minutes of mixing to ensure the product is well dispersed in the mix tank before starting seed treatment.
- Agitation must be maintained in the mix tank during seed treatment to limit settling of the product.
- biottrinsic™ microbial inoculant must be used within 8 hours after mixing into water or biottrinsic™ Extender.

Storage

- Store in a cool location away from direct sunlight below 75° F. DO NOT allow the biottrinsic™ microbial inoculant to freeze.
- Do NOT open the package until ready to be used. If there is remaining product in the package, seal the package tightly with the desiccant pouch inside and store as described above.
- Segregate from food and animal feed.
- Keep away from children

Disposal

- Follow any and all local, state, and federal waste disposal guidelines for inoculants and plant amendments.
- DO NOT discharge into drains, surface water, or groundwater.
- For small releases, the product should be contained, swept up, and disposed of per local regulations for inoculants and plant amendments.
- For large releases, the product should be contained, collected via an appropriate method, and disposed of per local regulations for inoculants and plant amendments.

Seed Treatment Compatibility

Please consult with Indigo if there are questions on compatibility of specific chemical seed treatments, Indigo Supply Chain 901-250-5737. biottrinsic™ products may not yet be registered in all states. Check with your Indigo representative for the registration status in your state. Information about this lot of microbial inoculant may be obtained by writing to Indigo Ag, Inc. 500 Rutherford Avenue, Charlestown, MA 02129 and giving the lot number which is found on the front panel of the product label.

Personal Protective Equipment (PPE)

- Applicators and handlers are required to wear respiratory protection, chemical-resistant gloves, safety glasses, and protective clothing.

Limitations of Use

Any buyer or user (each a "Customer") agrees to handle and use this product in conformity with all limitations of use, including the prohibition of analyzing for content, reverse engineering, extracting, purifying, or otherwise obtaining any material, for any use whatsoever, from the product in any form. This prohibition includes the growing or culturing of any material for further use of such material for any use whatsoever including research. Customer agrees that this product will only be used as instructed on the product label and only for the crop and purpose stated therein.

Conditions of Sale and Limitation of Warranty and Liability Notice

The directions for application and use of this product must be followed carefully and in accordance with applicable law. It is impossible to eliminate all risks inherently associated with the use, storage and disposal of this product. Crop loss, ineffectiveness or other unintended consequences may result because of such factors including improper application or use, weather, presence of other materials or other influencing factors in the use of the product, which are beyond the control of Indigo. All such risks shall be assumed by the Customer, and the Customer agrees to hold Indigo harmless for any claims relating to such factors. Indigo warrants that this product conforms to the description on the corresponding label within reasonable tolerances. TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, INDIGO MAKES NO OTHER WARRANTIES AND DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF MERCHANTABILITY AND FITNESS FOR AN INTENDED PURPOSE.

TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, THE EXCLUSIVE REMEDY OF THE CUSTOMER, AND THE EXCLUSIVE LIABILITY OF INDIGO FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE LIMITED TO THE RETURN OF THE PURCHASE PRICE OF THE PRODUCT OR, AT THE ELECTION OF INDIGO, THE REPLACEMENT OF THE PRODUCT. Customer acknowledges that this shall be the exclusive and sole remedy of the Customer and any third party for any such loss and that in no event shall Indigo be liable for any incidental, consequential or special damages resulting from the use of this product. Indigo offers this product, and by using this product Customer accepts it, subject to the foregoing Limitations of Use, Conditions of Sale and Limitation of Warranty and Liability, which may not be modified except by a written agreement signed by a duly authorized representative of Indigo.
